BIOGRAPHY

- Specialty: Transportation Engineering
- Licensed Professional Engineer in Pennsylvania, Maine, and Florida
- 26 years of professional experience
- BS, Civil Engineering, Pennsylvania State University, 1986

Bob Leonard currently serves as manager of the highway department in the firm's Harrisburg area office and as project manager for many of the firm's highway design assignments. He is responsible for managing a full range of highway engineering tasks, including preliminary engineering and alignment studies, pre-final and final design, and construction consultation. His background also includes traffic and transportation corridor studies. In addition to technical task management, Bob routinely handles sub-consultant supervision, schedule and budget tracking, and public presentations. He has also served as a consultant project manager for PennDOT.
